**National Science Children Congress**

The Science Club Adviser's Association of the Philippines (SCAAP) will conduct the National Science Children Congress on February 1-4, 2020 at La Vista Pansol, Calamba, Laguna.

The activity aims to:

- provide the participants with effective medium in the development of Science and Technology concepts;
- undertake science activities, which will enhance creativity, understanding and exchange of novel ideas among them;
- promote academic excellence through scientific research;
- instill in the minds of the participants an atmosphere of sound competition and camaraderie;
- give recognition to the winners of science investigatory projects and other contests.

The target participants are students and science teachers from both public and private schools, special science, laboratory schools and division winners.

Dr. Malcolm Garma  
Regional Director  
DepEd NCR  
Misamis St., Bago Bantay, Quezon City

Dear Sir,

Greetings of Love and Peace from the Science Club Adviser's Association of the Philippines (SCAAP).

Per Presidential Proclamation Nos. 28 and 264 declaring September of every year as the National Science Club Month and authorizing the Science Club Adviser's Association of the Philippines to implement plans and activities, the SCAAP in cooperation with the Department of Education will conduct the National Science Children Congress at La Vista Pansol, Calamba Laguna on February 1-4, 2020.

With the upcoming activity the SCAAP wholeheartedly inviting your school delegates to join the competition in the said congress. Enclosed herewith is the schedule of the activities.

In view of this I'm sending you a copy of DepEd Advisory, Attachments and list of activities so you could have an idea of the coming congress.

Your utmost unwavering support to the SCAAP is an indication of your great concern to the upliftment of our country's science program.

Very truly yours,

  
AURORA R. CATABONA  
President (SCAAP)

DepEd Advisory No. 199 s. 2019

In compliance with DepEd Order No. 8 s. 2013

this Advisory is issued for the information of DepEd Officials  
personnel/staff as well as the concerned public

(Visit [www.deped.gov.ph](http://www.deped.gov.ph))

Per Presidential Proclamation Nos. 28 and 264 declaring September of every year as the National Science Club Month and authorizing the Science Club Adviser's Association of the Philippines to implement plans and activities, the SCAAP in cooperation with the Department of Education will conduct the National Childrens Science Congress. The Science Congress will be the culminating event of the activities conducted in the Division and Regional Competition in the National Science Club Month last September with its theme "Restructuring Science Competencies through Scientific Investigations", on February 1-4, 2020 at the La Vista Pansol Resort, Calamba, Laguna.

The congress aims to:

1. provide the participants with effective medium in the development of Science and Technology Concepts;
2. undertake Science activities, which will enhance creativity, understanding and exchange of novel ideas among them;
3. promote academic excellence through scientific research;
4. instill in the minds of the participants an atmosphere of sound competition and camaraderie;
5. give recognition to the winners of science investigatory projects and other contests;

The target participants are students and Science teachers from both public and private schools, teaching Science, Special Science and Laboratory Schools, and who are winners of Category A (All First Place Regional Winners), Category B (All Second Place Regional Winners), and Category C (All First and Second Place Division Winners).

Participation of both public and private school shall be subject to the no-disruption-of-classes policy stipulated in DepEd Order No. 9, s. 2005 entitled Instituting Measures to Increase Engage Time-On-Task and Ensuring Compliance Therewith.
